

DIPLOMAS FOR 224 STUDENTS

PUBLIC SCHOOLS HOLD THEIR FIRST MID-YEAR EXERCISE.

PROGRAMS ARE GIVEN TODAY

MANY OF THE GRADUATES WILL ENTER THE HIGH SCHOOL.

Eighty Percent of the Pupils in the Grade Schools Are Promoted—An Unusually Good Record.

Wichita public schools had their first mid-year commencement exercises this afternoon when 224 Eighth grade pupils received diplomas. Exercises were held in the school building which had graduates. Next week many of these graduates will enter High School.

Today closed the first semester. Superintendent Mathew says that eighty percent of pupils in the grades were promoted. This is a good record. Pupils did not take final examinations this half-year. Their promotion depended on the average work during the year.

Another eighth grade class will be graduated in June. Teachers were busy until noon today preparing grades. Diplomas were given the following:

KILL THE CATARRH

GERM-USE HYOMEL

It's the direct-antiseptic method you breathe it. Do not delay and continue to suffer from catarrh, head colds, bronchitis or sniffles. It is not only needless and annoys your friends.
